

Judge SKAVDAHL.

Sir, I Came before you on 8-29-22
 Im the guy that cut off my ankle monitor
 because I had nowhere to keep my 107 lb purebred
 Black lab. His name is Hunter. He is my best buddy
 I got him in may of 2020, I'll get back to him in
 a minute.

At court I asked you for 180 days in Jail
 A new ASI followed by whatever treatment my
 ASI recommends And a year on paper. You agreed
 Except with 18 mos paper. Im asking you
 to reconsider and allow me to do my last
 45-60 days At the 1/2 way house in Casper.

Heres why, when I got arrested in
 may, my dog went to my ex mom in laws,
 She does not have the room for hunter.
 Though All Agree he is an awesome ^{House} dog, she
 will be moving in late January. She told
 me on the phone tonight that its out of
 her hands, If I dont have my shit straight
 by the time she moves, ~~hunter~~ ~~will~~ ~~go~~
~~hunter~~ Hunter will have to go to the
 Shelter. also shes not sure what will happen to
 my Jeep also in her care.

I am not sure what to say except the
 truth. I'll do whatever it takes for my dog.
 I'll stay clean, I'll comply with probation, I
 hope you will consider letting me do my

Last 45-60 days At CRC in Casper. I will at least be able to Rush my A.S.I And do what needs to be done in that respect Also its Hunting season '3 I'm a skilled Skinner/ Butcher, work will come fast. Also It will give me time to find a local Foster for my dog Just incase treatment goes beyond Jan.

Please '3 thank you
